No.	Prescription	Quarter 01 - 12th December 2017 to 19th March	Quarter 02 - 20th March to 2nd July 2018	Quarter 03 - 3rd June to 20th September 2018	Quarter 04 - 21st September - 10th December
1	Enforcement	2018 Continued Professional Development Training	Investigated poaching incident reported to Police	Assisted Buccleuch Estates with incident at Dabton	Working with Police Scotland on suspected poaching in
		undertaken	Scotland	Loch Advised D&G Council on signage in Burgh	headwaters. Assisted Buccleuch Estate staff with holiday cover
		Night patrols on spawning beds Enforced fisheries legislation for Grayling Angling		Coastal/Estuary patrols ongoing River patrols ongoing	Night patrols on all headwaters River patrols ongoing
		Assisted with the development of new regulations for D&G Council	Assisting River Dee DSFB	Assisting River Dee DSFB	Incident dealt with on DGAA water (education delivered)
		Estuary patrols	Supplied poaching exhibits to Police Scotland	Investigation on breach of methods statement of works at Guildhall Bridge, Kirkconnel	Gold panners reminded of licence conditions
			Obtained Dee (Kirkcudbrightshire) warrant cards	Investigation of Sunday fishing, Dumfries Burgh	Attended meeting with Environment Agency senior
				Provided information to all anglers in Nith estuary	enforcement staff
			Attended spawning disturbance offense Mennock Water	Policed commercial net fishery re tagging	
2	Exploitation	Collated Catch return data for 2017	Issued carcass tags to netting proprietors	Extolled the Nith Conservation Policies at Lowther	Catch return requests distributed to proprietors
	F			Country Fair	
		Collated data from Angler Diary log books	Nith 2018 Sea trout experience organised and run on 7 beats	Country Fair	2019 categorisation announced - information distributed to proprietors
		Published Nith Conservation Code for 2018 season (Cat 1)		Provided information to Nith Young Anglers on Catch and Release	Continue to promote C&R to anglers on River bank
		Extoled C&R benefits at River Opening Event		Held BBQ for Sea Trout Experience participants	
3	Engineering	Gas Pipeline meetings attended - consultation	Fish rescue Upper Scaur in support of Forestry Road construction	Continued to provide consultancy service to Irish Gas and their contractors	Provided consultation to Buccleuch Estates on log jam in Druidhill Burn
	(Including Forestry)	Kier Mining - Dalgig Burn consultation	Barhale Fish rescue on the Connel Burn	Provision of consultancy to East Ayrshire Roads	Attended post-construction gas pipeline meeting
		SWS Overhead Powerline - attended meeting	Barhale consultation on Flood prevention works	Alliance Provision of consultancy to TranServ Scotland	Attended House of Water Coal Mine Technical Working
		Forestry Road infrastructure assistance	Nethertown Fish rescue	Provision of consultancy to Balfour Beattie A76 road	Group meeting Provided report for Gas pipeline post-construction
		,		scheme	(invertebrates and fish)
		Fish rescue on Connel Burn (Scottish Water)	Gas pipeline meetings attended	Provision of consultancy to Forestry Commission Scotland Civil Engineering department road construction	Provided annual electrofishing report for House of Water Coal Mine
		Scottish Water consultation - Carron Water	Fish rescue WX2 for Gas pipeline culvert removal	Provision of consultancy to SPEN	Provided annual electrofishing report for SWS Overhead Pylon line - Post construction
		Scottish Power Energy Networks consultation - Crawick Water	HOW annual electrofishing survey completed	Provision of consultancy to PA Forestry (Sanquhar)	Provided annual electrofishing report for New Cumnock Flood Defence - interim
			Kier Greenburn annual electrofishing survey completed		Flume pipe removals for Roadbridge Gas Pipeline
		D&G Council - Wanlock Water fish rescue Nethertown Fish Rescue	Breedon Quarries annual survey completed	Scheme Negotiated SWS annual monitoring surveys	Provided report on fish and invertebrates for Scotland
					TranServ on environmental monitoring Guildhall Bridge repairs
		Kier Mining - report completed	Consultation with A76 road improvement scheme		Provided electrofishing report to Scotland TranServ for landslip repairs to A76 Enterkinfoot
		Roadbridge Interim invertebrate and fisheries	Consultation with SP Energy Networks re upgrade of		Consulted on restoration measure on gas pipeline
		report completed SEPA Flood Project Upper Nith and Laggan	grid Consultation Scottish Water compensation flow at		Continuing to fulfil our exit strategy from Upper Nith
		management	Afton Dam Consultation with SP Energy Networks re high voltage		project
			grid connection		
4	Renewables	Afton Wind Farm report completed	Consultation Sanquhar II Windfarm	Surveying for Sanquhar II windfarm	Provided annual electrofishing report for Penpont Hydro Scheme
		Provided quotes to South Kyle Wind Farm	Consultation South Kyle Windfarm	Surveying for South Kyle Windfarm	Provided annual electrofishing report for Afton
			Consultation North Kyle Windfarm	Surveying for North Kyle Windfarm	Windfarm - post construction Provided annual electrofishing report for Sandy Knowe
			a hai a lillian M		Windfarm - baseline
			Consultation Overhill Windfarm	Surveying for Sandy Knowe Windfarm	Provided electrofishing report for Stroanshalloch
			Consultation Ashmark Windfarm	Surveying for Stroanshalloch Windfarm	Provided electrofishing report for
					Provided electrofishing report for Provided electrofishing report for Sanquhar II Windfarm - baseline
			Consultation Ashmark Windfarm Completed post-construction survey for Afton	Surveying for Stroanshalloch Windfarm	Provided electrofishing report for Provided electrofishing report for Sanquhar II Windfarm - baseline
			Consultation Ashmark Windfarm Completed post-construction survey for Afton	Surveying for Stroanshalloch Windfarm	Provided electrofishing report for Provided electrofishing report for Sanquhar II Windfarm - baseline Provided electrofishing report for South Kyle Windfarn
5	Planning & Consultation	Fast Avrshire Council - monthly planning lists	Consultation Ashmark Windfarm Completed post-construction survey for Afton Windfarm	Surveying for Stroanshalloch Windfarm Reporting for Afton Windfarm completed	Provided electrofishing report for Provided electrofishing report for Sanquhar II Windfarm - baseline Provided electrofishing report for South Kyle Windfarm - baseline Provided annual electrofishing report for North Kyle Windfarm - baseline
5	Planning & Consultation	East Ayrshire Council - monthly planning lists considered	Consultation Ashmark Windfarm Completed post-construction survey for Afton Windfarm Kier Mining Technical Working Group attended	Surveying for Stroanshalloch Windfarm Reporting for Afton Windfarm completed All East Ayrshire Council Planning Lists considered and responded to where appropriate	Provided electrofishing report for Provided electrofishing report for Sanquhar II Windfarm - baseline Provided electrofishing report for South Kyle Windfarn - baseline Provided annual electrofishing report for North Kyle Windfarm - baseline All East Ayrshire Council Planning Lists considered and responded to where appropriate

No.	Prescription	Quarter 01 - 12th December 2017 to 19th March 2018	Quarter 02 - 20th March to 2nd July 2018	Quarter 03 - 3rd June to 20th September 2018	Quarter 04 - 21st September - 10th December
13	Fish Stock/Monitoring	Electrofishing data entry ongoing for 2017	Electrofishing data entry for 2017 completed	Electrofishing data entry for 2018 started	Continue to enter electrofishing data in SFCC database
		Scale readings ongoing	Agreed to conducted 30 national electrofishing sites for Scottish Government - starting July 2018	National electrofishing completed	Completed entry of National electrofishing data
		Further discussions regarding fish counter project	Scale taking practical course delivered to ghillies/anglers	Work progressing on Crawick Counter (negotiations)	Preparatory work on fish counter progressing
		Met with representative of Sonar fish counter	Gathered quotes for Crawick Counter	Annual monitoring sites completed	
			Annual monitoring sites commenced	Engaged data input assistant	
14	Hatchery	Maintained Board and Trust equipment	All fry stocked out	Annual maintenance of buildings	Brood stock captured
		Fish stock within hatchery maintained	Pond maintenance fulfilled and stocking conducted		Sea trout eggs stripped and incubating
			Hatchery/office buildings maintained		Brown trout eggs stripped and incubating
					Salmon eggs stripped and incubating
15	Outreach/ Public Relations	Organised and ran Nith Opening Event	Ran 3 Nith Young Anglers sessions	Attended Lowther Country Fair	Hosted visit from River Tweed Commissioners
		Attended Environment Fair at Crichton	Completed delivery of Fishing for the Future session to 8 schools (180+ children)	Attended Galloway Country Fair	Delivered two Nith Young Anglers sessions
		Fishing for the Future Schools Programme sessions 2 & 3 delivered to 6 schools	Funding application successful - Holywood Trust and Dunscore Community Council	Nith Young Anglers sessions delivered	Delivered an Angling taster day
		Wallace Hall Primary School Science Careers Day	Maintained website/social media	Two Angling Taster Days delivered at Blackwood Pond	Met with Borderlines to discuss NYA project 2019
		Organised sessions for 2018 Young Anglers Club		Angling Day at Dock Park with D&G Council	Seven hatchery visits hosted
		Meeting attend with FMS re National Youth Angling programme		Hosted Scottish Government's Fishery Development meeting attended by Tweed, Galloway, Ayrshire and FMS	Took part in educational STEM (science) day at St. Joseph's College
		Organised and facilitated Rural Skill sessions for		Funding granted by Misses Robinson Trust and Tesco	Met with eight schools for 2019 Fishing for the Future
