Nith Fishery Management Plan Quarterly Progress 2015

Prescription	Actions	Quarter 01 - 12th December to 23rd	Quarter 02 - March 24th to 6th July	Quarter 03 - 6th July to 15th	Quarter 04 - 16th September to 10th December	Additiona
		March		September		Prescription
Enforcement	Overt and covert operations		Ongoing Seasonal Water Bailiff employed	Ongoing		2, 10, 11, 13
	Fishing Without a permit reported to police		4 persons on the Buccleuch beat			2
	National Bailiff's training course		Developed and co-ordinated	Training course delivered at Melrose		2, 11
	National Bailiff's exam	Invigilated exams	Marked exam papers			2
	Case taken - Kirkconnel Estate	Active	Case abandoned by Procurator Fiscal			2, 11
	Case taken - Kirkconnel Estate	Active	Active			2, 11
	Gill net on Solway			Siezed		2, 11
	Fishing without permit Blackwood			2 youngsters put off water		2, 11
	Fishing without permit Upper Nithsdale AA			Cautioned		2, 11
	Unauthorised Electrofishing investigated Unauthorised dredging				Spoke and corresponded with perpetrators Spoke to perpetrators	11
	Onauthorised dredging				Spoke to perpetrators	
Exploitation	Catch & Release rates in 2014 have increased.	Salmon & Grilse up by 5% to 64% and Sea Trout up by 25 to 87%				13, 15
	Conservation codes reviewed	Amended and published on website				1, 13, 15
	Burgh Angling Association permit regulations	Edited rules				1, 13, 15
	The Times newspaper		Interview with Mike Wade, J. Henderson and R. Cowan			15
	Conservation promoted through Fishing For The Future Project	Year 2 started with 400+ participants to				6, 7, 8, 12, 1 14, 15
	Wild Fisheries Reform	date	Responded to consultation ban on		Attended JWG Meetings and strategic meetings	2, 11, 10, 1
			killing of salmon		(Scottish Government). Consultations responded	, , -,

No.	Prescription	Actions	Quarter 01 - 12th December to 23rd March	Quarter 02 - March 24th to 6th July	Quarter 03 - 6th July to 15th September	Quarter 04 - 16th September to 10th December	Additional Prescription(s)
		Burnfoot Farm site visit regarding gravel extraction, Crawick Water	Attended with SEPA				5, 7, 8, 9, 11, 13
4	Renewables	Hare Hill Wind Farm Extension	Commissioned to conduct electrofishing/invertebrate survey	Survey works started	Electrofishing survey work completed	Reported, invoiced and paid.	5, 7, 8, 9, 11, 13
		Airdrie Farm hydro	cicci onsimig/invertebrate sarvey	Consultation and survey commissioned	Electrofishing survey work completed, planning response made	Additional survreys requested - consultation with regulators.	3, 7, 8, 9, 13
		High Cumnock Windfarm		Correspondence provided			3, 7, 8, 9, 13
		Boreland of Southwick Hydro Scheme		Consultation and survey commissioned	Electrofishing survey work completed and planning response submitted	Invoiced and paid.	11, 13
		Twentyshilling Hill Windfarm		Consultation and quote provided	Electrofishing survey work completed	Reports completed, invoiced and paid.	3, 7, 8, 9, 13
		Whiteside Hill Wind Farm	Consultation response		Consultation supplied regarding culvert works	Invoiced and paid.	5, 7, 8, 9, 11, 13
		Belstane Hydro, Marr Burn		Consultation and quote provided	Electrofishing survey work completed	Invoiced and paid.	3, 7, 8, 9, 13
		Captainton Hydro			Planning response provided	Post commissioning e-fish commissioned.	3, 7, 8, 9, 13
		South Kyle Wind Farm Extension Glenmuckloch Energy Project		Consultation regarding Glenmuckloch	Planning response submitted Electrofishing and invertebrate survey	Report submitted, invoiced and paid.	3, 7, 8, 9, 13
		Gleriffuckioch Effergy Project		Energy Project	work conducted	Report Submitted, invoiced and paid.	3, 7, 8, 9, 13
		Ulzieside Wind Farm			Quotation provided for survey work	Third party authorisation to electrofish.	
		Pencloe Wind Farm			Electrofishing and invertebrate survey work conducted	Report submitted and invoiced.	3, 7, 8, 9, 13
		Porterstown Hydro		Electrofishing survey/monitoring conducted			3, 7, 8, 9, 13
	Planning & Consultation - please see Engineering and Renewables for individual responses	SP Energy re: New Hospital Site	Response requested site visit	On site meeting regarding power supply for new hospital and fish rescue conducted			5, 7, 8, 9, 11, 13
6	Biosecurity	American Signal Crayfish control	New refuge traps were constructed by MK Welding New ASC signage	Annual return completed. Licence obtained until 2020.	Report on work to date provided to SEPA. Crayfish have been found to have moved approximately 100m downstream since last year.		7, 15
		Meeting with Islesteps Community Regarding	Attended		Assisted community pulling Himalayan		7, 15
		Invasive Species		Caradalada FF00a 2 Laradad	balsam		7.45
		Giant hogweed control Skunk cabbage control		Completed - 5500m2 treated On going	739m2 treated		7, 15 7, 15
		Japanese knotweed control			162 stands treated - started on the New Abbey Burn		7, 16
		Japanese knotweed PHD project		Provision of site for PHD project	Study ongoing		7
		Rainbow trout survey on Cairn Water		Survey conducted and meeting with proprietor of fish farm.	No more reports of rainbow trout		7, 12, 13, 15
		INNS funding		WEF, D&G Council, Shambellie Estate,			7, 15
		Dumfries & Galloway INNS Working Group Meeting	Attended	Invina Hamas and Friers Carea		Attended	7, 15
7	Habitat	All Habitat schemes monitored	Ongoing	Ongoing	Ongoing		۵
	ιιανιτατ	Shinnel Water Habitat scheme	Ongoing	Ongoing Water gate washed away - repair carried out	Ongoing Repairs made to watergate at Shinnel scheme		9, 15
		Natterjacks/Reptile Meeting	Meeting attended	Carried Odt	Serience		9, 15
		Willow whipping and habitat restoration day on Nith		Forth Fisheries Trust attended			15
		Yellow Craig pond weed survey		Conducted			15
		Cample Water Habitat scheme thinned	Completed				9

. Prescrip	ption	Actions	Quarter 01 - 12th December to 23rd March	Quarter 02 - March 24th to 6th July	Quarter 03 - 6th July to 15th September	Quarter 04 - 16th September to 10th December	Additional Prescription
		Kier Mining Dalricket Mill Diversion	Consultation on tree planting density, species and placement.				9
		Upper Crawick Water Habitat Scheme				Recovery of flood damaged fencing materials.	
Access		Burnfoot Bridge material to be removed	Consulted				7
Access		Enterkin Burn Log jam removed	Completed				7
		Pennyland Burn barrier			Permission sought and granted by SEPA. Materials sourced.	Works conducted (temporary) to ease fish	8
		Greenburn Burn			SEPA. Materials sourced.	Rock obstructions eased.	
Water O	Quality	Depart to SEDA silago incident at Castlebill	NDSED/SEDA Attonded				
9 Water Quali	Quality	Report to SEPA silage incident at Castlehill Report to SEPA unauthorised dredging of	NDSFB/SEPA Attended NDSFB/SEPA Attended				
		Watercourse Crawick incident at Multiverse Site			NDSFB Attended		
		SEPA reported pollution incident at New			NDSFB Attended NDSFB Attended		
		Hospital Site			NDSI D'Attended		
		Reported Slurry incident River Cairn				SEPA attended, Moniaive, (Mr Neil Gourlay)	
Marine S	Survival	CSTP	Final Report Being Compiled			Sea Trout Symosium attended	15
iviai iiie s	Survivar	Horizon 2020	Application for European funding	Project application rejected at Stage 1		Sea Trout Symosium attenueu	7, 8, 13
		World Oceans Day	complete	Attended with display and fishing			15
				instruction
